“ I'm deeply saddened by your loss. I had the pleasure of knowing you when you were a little younger at the Boys and Girls Club. You were always a favorite...holding a basketball in one hand and a cold cup in the other. :)
You were an impressive young man who touched the lives of so many. You will be missed dearly and will forever live on in our hearts.
Lifting you and yours up in prayer. God bless you.

“ Delonso and Yolanda unfortunately I did not have the opportunity to personally know De'Ondrick but all I ever heard was, "what a great kid". There is absolutely nothing that can be done or said to comfort you from this lost, but I pray that God provide you both with the peace needed to sustain.
