“ Ms. Dolly, I will miss your warm smile and caring spirit. When Mookie and I grew up together as friends, I remember how you treated me like your own son which made me feel loved by you. I can still remember when you would see me walking down Cook St, you'd say, "Boy, are you behaving yourself". My response would always be, "yes ma'am" even if it wasn't true 😊. Ms. Dolly, thank you for all the good you've ever done for my sisters and I. Thanks for all the wonderful memories you given each of us. Willie James Brown (Boy), sends!
