“ *My condolences to the family and my prayers are with you today in your time of loss. I met Donald when he was in the army reserve, he loved to fish and hunt, I went fishing with him one time, and I happened to look out in the water and saw a snake just floating there, boy was I scared, but he got his gun out shot that snake right out the water. I found out that he and my uncle where snake hunting . So maybe he like hunting more, but I sure never went with them again. Family be blessed and keep the memories that make you smile. GOD BLESS YOU ...Always in my prayers*
