“ As I think about all the time I spent with the family, I remember how kind Donovan was to me always treating me like his other little sister. He would drive us to games or home from practice. Sometimes we would all just ride around talking having fun. Thank you for being my big brother! You are loved and will be missed!! I know you are in a better place. To the family, I love you all and am there with you in spirit but here praying for your strength!!

He was friendly, professional, and always had a smile on his face. To his family, I want to express how sorry I am for your loss. To Wendell Sr. I want you to know that you will all be in my prayers...
