“ I could talk about my nanny for years and still not cover all she has done for me and my siblings. I spent every summer with her on the farm as a teenager. Before she married my parin, we went to park every Sunday after church for icecream n fun! Since i was a sibling of 9, she made me feel like an only child every summer. I learned so much from her and will never forget the special treatment that i received. Once She was married, they never neglected my summer vacations. I became her lil nurse n babysitter during summer. We had such a wonderful relationships that i will always cherish. Rest in peace my sweet darling, let my mom, aunt Dessie, uncle Allen along with big mom n papa, I have great hope to see all of you again on that great day! Love you'll and will miss you always. To my cousinsand family; i know this is tough but we must live with hope n belief in Jesus so we can see them again!
