“ *I loved her like she was my mom, after my own mom passed away, which brought me to Louisiana . She was always more than a cousin to me. She was so wonderful to me. I hung out with her as a child, when I could have been with my peers and siblings, but I loved being around her, cousin Herman and Tex when he was in Louisiana. I love her so very much and she will always remain in my heart and soul. I am saddened that I will never see her again here on earth. But she is now in heaven with everyone else she loved so much. She was crazy about my grandmother. I know they are together again. She was the best! Love you always and forever. Rest In Peace, sweet angel.*
