“ *I would like to give my deepest sympathy to the family of Mrs. Greene. I remember when I used to visit, she made me feel like that was my second home. Guys I know how you feel losing a Mom; it's not something you will ever get over. We all have to go on and remember all the good times that we shared. Although time has passed so quickly, I will never forget my people. I will keep you all in my prayers.*

“ *I will remember your mother's smile and her generous spirit. She always had a kind word and open arms for everyone. No one was ever a stranger in her home. She has taught us all a lot about life and living. We will miss her terribly.*
