“ I am so sorry for your loss. I knew that something was wrong with my dear friend when I tried to reach him on his cell, and it was turned off.

I knew Mickey for several years, due to the fact that I was cleaning his house for him, in Lawton, Ok. Throughout that time, we grew to become very close friends; and have a friendship that I will forever cherish.

I am glad that I was able to see him one last time in the month of May, but would have liked to see him again before he departed this earth.

I will very much miss my dear friend Mickey, and do hope that his family will keep in touch with me from time to time.

If ever you are in Lawton, please do not hesitate to stop by, or call anytime. I would love to reminisce on the wonderful man that he was.

“ Praying God will wrap his arms around you and comfort you all today and in the weeks to come. Mickey was my supervisor at Fort Sill Enlisted Student Records. He was the most awesome supervisor I had had. He was an encourager. He always had faith in his employees and prised u for our accomplishments. He would always tell us we made him look good. What an awesome person and supervisor he was! He always had a positive outlook on all that passed his way. He will be dearly missed. God bless you all!

“ I am saddened by the news of Mickey's death. I first met Mickey when I was 20 years old and in the Army. He was there for so much of my life (about 14 years). He was a wonderful supervisor, a great person to talk to... a friend. My condolences go out to his family and friends. May God comfort you during this difficult time. What makes me smile now is knowing he is back with his wife. We will all miss you Mickey!

“ *To the Fontenot Family,
My thoughts and prayers are with you at your time of mourning. Mickey was my supervisor when he was here working in Enlisted Student Records here on Ft. Sill. As my first Civil Service supervisor, Mickey was the best. He had such a laid back personality and was a great leader. “ Mickey was a wonderful friend. He always had a smile and a kind word. His mentorship meant more to me than words can express. He was a great comfort to me after the loss of my father. He understood the impact of an unexpected tragic loss and was able to help me navigate through those very rough waters. May he now be reunited with his wonderful Cindy. He will be greatly missed.

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. R.I.P. DUDLEY "MICKEY" FONTENOT*
