“ Big Jr., we grew up as sister and brother in the same home when Aunt Julia & Uncle John took me into their home and my heart is truly sad and broken that you went to heaven so soon. Our talks about faith encourage me today knowing that your personal relationship with Jesus Christ has sustained you because your name was written in the Lambs Book of Life.

To Monica, Christopher, Sabrina and the grandkids, death is a temporary separation that hurts worse than words can describe. We pray God's comfort & peace over & around you all. You don't have to be strong for anybody. Please grieve. It is healthy. Please know that your tears are liquid prayers to a loving God.

David & I love y'all and wish we could take the pain away. We will continue to pray for each of you. Love, Helen & David Roberson & family

“ *Big Jr. is one of my favorite cousins. I love you and wish we had spent more time together. I'm so grateful that you were a Godly man and that we will spend eternity together. It's hard to believe you won't be around here on earth. I know how much you loved Monica, your children, grandchildren and family. You often tried standing in the gap to bring us all together. I miss you already.*
Love always,
Ellen
