“ *first I want to give honor to God who has become the head of my life. the most memorable time I've had with Dustin which we call them fuzzy when he was in the band lol what's all the parades and music we share band trips football game and just the passion that we both had for music and I was honored to have teach the stand how to play the French horn which is the most beautiful sounding instrument. Music is and always was what we enjoyed and lived for. may God bless The Alfred family.*
