“ *Alice used to babysit me when I was small. My sister Ruth, our friend Francis Peterson, Delta Broussard children and I all used to work in the potatoes fields in Frilot Cove and Pairie Ronde with Alice and her husband Dalton. Alice was always a very pleasant person to be around. She was a hard worker. Her Family was the pride and joy of her life. As the queen of the Family, her Family well being was her number one priority. I was sadden to hear about her passing away. But I truly believe that Alice is in Heaven making the Angels laugh. To the Family, remember all the good times. You now have an Angel in heaven looking out for you.*
