“ *Although we were cousins and visited occasionally, Elaine and I bonded in high school over music, even though she was 4 years ahead of me, benefiting from starting school at a very young age. We both played the piano and as such our "evolving talents" in a small rural school and community were in demand for choir practice, assemblies, and church, just to name a few. If memory serves me correctly, she had a lovely soprano voice. Though we went our separate ways, West Coast and East Coast, and did not stay in touch, the memories of those earlier years are fond.*

I was sadden to hear of Elaine's passing. My deepest sympathy to the family and may she rest in peace.

“ *Elaine was that one person that one friend that you feel so blessed to have. She had a heart of gold. Met her in CA in the 80's. Our talks were good some times more than once in a day. She brought many comfort and good advice including myself. We had some dinner together recently and she made my favorite of her recipes Beef Stroganoff. How I will miss her smiling face, our talks and her hugs! Thank you for your friendship and love all these years. ❤️🙏

“ My condolences to Elaine's husband and to the Frilot family. Elaine and I grew up together in Frilot Cove, and she was my best childhood friend. I remember on many occasions after Sunday mass, we would spend the day together at her home playing and doing what little girls do - have fun! Later we attended Holy Ghost High School, and I enjoyed our time there together, until she left to attend Plaisance High School. As time passed, we lost contact, but I was thrilled to see her again at a family wedding a few years ago, where we were able to catch up. I am grateful for the wonderful memories I have of our friendship.

My dear friend, may you rest in peace...I love you!
