“ *My lil brother "Tez"!!!! There are no words can be typed in this memory box that can express or display to the readers by what this loss means...because Joy and Laughter cannot be expressed through words...and that's what you always brought in our company!*

I am without a word....speechless! My heart is saddened nearly to my inner guts when I look at your pic in the obituary...BECAUSE you meant that much to me as my "lil brother" whom I will never forget!! I would tell him, "Man that name, Eldridge is for a King! And he would say, I'm glad you know that sis, I'm that King! And Royalty he was!

To the siblings, wife, and children, family and friends, I send my sincere and deepest condolences and prayers to you all during this difficult time of bereavement in the loss of your loved one.
