“ *I just learned of Elijah's passing. I first met him at TH Harris when we were in the same NDT class together. We became very good friends and I had the honor of being his best man in his wedding.*

*There are so many fond memories. Hanging out at North city park, washing our "loads"/cars, going to the clubs and working for the same company for several years. My condolences to Delores and the entire family. Rest In Peace my brother.*

“ Allow me to offer the greatest condolences to all of his kinship during this time of sorrow. It seems like I had just stopped and visited Elijah and Jeffrey at their home a few weeks ago. Please cherish and remember all events/happenings that only you all can witnessed at those times. Every time that I saw him, he reminded me of his father! Love to all of my cousins!
