“ *My thoughts are with the family of Elijah. I am sorry your loved one died. It is always a difficult thing to experience the death of our loved ones. The main comfort we receive is from the bible. There we find the hope of the resurrection. In John 5:28 Jesus promised "the hour is coming in which all those in the graves will hear my voice and come out." They will come out never having to die again as Revelation 21:1-5 states. There our God makes a promise that He will make this earth like new and there will be no more sickness, pain, sorrow or death. We know God will fulfill this promise.*
