“ To Rachel my best bud & cousin, I know we both talk about this moment of loosing the most important person in our lives (our grandmothers) what would we do...I know Liz loved u so much, you were her baby girl, I remember visiting with her and her talking to you about things... That showed me right there how much she cared for you,so I want say don't mourn but be glad she lived along life and that she was there for you when know one was there. She was your rock and backbone!! Continue to impress your grandmother as she would want!!! Watch over those babies as she would say..love you and I'm always here for you and Camella cause I know she was all y'all had and could call mother!!! Love y'all to the fullest!!!
