“ Geneva and Marvin, I was so sorry to hear the news of your mom’s passing. She was a true friend and one of the most giving people I know. For so many years she saw me and my family through so many trials, tribulations and blessings. Please know that you two and all her grands were her pride and joy. Her face would beam with pride when she spoke of ya’ll. I love that lady dearly and regret that we didn’t do all the things together that we spoke of. May your good memories of her comfort you during this very hard time. Prayers for all of you. Susan (Sue Quirk) Stringer

“ A woman of insight and kindness. Elizabeth supported us , comforted us, and watched over us. Alternately she was our mother, our sister, and always our friend. Bless her always. Her wisdom and grace are forever and indelibly etched on the soul and spirit of our family.
