“ *I remember Elizabeth since elementary school. Our friendship has lasted through our entire lives. She was tough and friendly. I moved here a few months ago looking forward to having outings with my classmates, especially Liz. The last time we talked a few years ago, she made me laugh so hard, she has been on my mind ever since. LIZ rest in peace, I will truly miss you. My condolences are with her family.*

“ Dear loved ones on Liz. My sadness to hear of her passing cannot be expressed very well, but prayers for her soul and for your comfort are offered up.

Liz was in one of the first classes I taught to newly hired USPS RURAL Carriers. She and I shared a lot of laughs and I hope, mutual respect. I loved her and when I would visit the Opelousas Post Office, we would pick up right where we left off. She was not afraid to speak up and would let me know what was going on. I can just hear her calling my name (loudly) when she knew I was in the office. May she rest in piece and let His perpetual light shine upon her. Amen
