“ *Sending my condolences to the family of Ms. Ella Mae Frank, she was what I call real church family, I remember seeing her at Holy Ghost Church every Sunday until she moved to New Orleans, she always had a smile on her face when I passed the basket for collections, I tell you she always had an envelope for that basket, she was indeed a cheerful giver. I missed not seeing her when she moved away, now I know she is in the hands of our Lord Jesus Christ, May She Rest In Peace.*

Joe, so sorry to hear of the lost of your Mother... she was a sweetheart. She loved her Aunt Florence. Every year for years she would send my Mom a big box of pecans. Sometime they would be cracked. I know just how it feels to have a Mother to pass..Weep if you must, but remember that Jesus wept. Lifting you and your family in prayer. See you on Friday.

Joe Joe,  
I send you my sincere and heartfelt condolences! To lose a mother is like losing everything! Mothers are the rocks of our foundations. Their unwavering strength and diligence guides us through life. We can talk to them about any and everything, and they won't be judgmental if we falter at times! They continue to love and support us through it all! I know that this is a very difficult time for you, but remember that your Mom was a strong believer and her faith in God never ceased! I implore you to keep that same strong faith in HIM and HE will make your grief a little easier to bear one day at a time! She will always be remembered for her kindness and her laughter and smiles! We love you and pray that you carry on as she would want you to do! You were her pride and joy and she loved you dearly with all of her might! Stay strong, and pray for God's almighty strength! 🙏❤️🙏
