“ *I met Miss Ella Mae, my only time seeing her, many years ago. I remember vividly how she was such a gracious hostess. In a world where we sometimes tend to be "all about me" it was very refreshing to be in the presence of someone who was genuinely inviting. My family sends condolences to all who lost this gem of a woman.*

“ *Our deepest sympathy is extended to the Jack family and dear friends. Several years ago I met Mrs. Jack at her beautiful home in Louisiana. Our daughter in laws grandmother was not only cordial but very loving as she and her son opened their home to very hungry and weary travelers .We will always remember her kind words and hospitality. May God bless the Jack family and may they accept our deepest condolences for their loss.*
