“ It’s so many memories of my grandma I can say! My grandma raised me from the day my mother had me! My grandma taught me how to cook, comb and braid hair, clean up a house, and taught me what love is! My grandma brought me up in church along with my grandpa! She taught me how to drive! She taught me how to take care of day to day things for when I became a woman! Basically she taught me everything! My grandma showed me so much love! Even when I messed up she corrected me and told me to never give up on anything in my life! She would say you have your whole life ahead of you! Keep God first and everything else will fall into place! I could go on and on but I will end right here! I love you momo your BaeBae! Your favorite name you would call me! You even named me! I really was the baby you prayed for! You made sure I was well taken cared of! Love you my Guardian Angel!!!! 🥹💔🙏 Rest peacefully with our Heavenly Father ☐ 🥰

“ *I will never forget meeting you for the first time, we stood by the fence and talked for a while. You told me who you were and I told you who I was, not knowing that I knew some of your family. You started calling me your child and I never stop calling you Mom. I will never forget you Sweet Angel. I could never repay you for your LOVE shown to me. Just know I will always hold a special place in my heart for you. REST IN PEACE MOM. 🥹🥹🥹🥹*
