“ My deepest condolences to the family of Earnest Senegal, Jr. I am really sorry for your loss especially after having just lost an older sibling. I have nothing but fond memories of our school days together, Earnest and i, along with many others, at North Elementary, and later at the North Park, on weekends.. "Red" as he was known by his closest friends, was a cheery and lighthearted person who loved to laugh and to dress up. He took pride in his appearance and he was a great dancer! I will miss his presence at future school reunions.
