“ *I apologize for the original comments. There were so many errors. Mrs. Broussard was the department head of the business department at T.H. Harris when I was a student there. She is responsible for me having the job that I have held for the past 26 1/2 years. We became really good friends over there years. I remember every year, I would bring her figs. what would start off as a quick trip always turned into at least a 1 hour visit because she loved to talk and I enjoyed talking to her. She truly was a special lady. I have missed her so much over the last few years. My deepest sympathies to her family. Heaven has gained another angel. Rest in Peace my friend. You are loved and you are missed.*
