“ *I'm going to miss you mom but I know you're in a better place. Tell dad I said hellooooo!! You taught me how to be the woman I am today. Thank you for your strength, compassion and big heart! I will miss your cooking and fussing all the time. And yes ma'am I definitely will miss playing cards with you. I would not change anything. I'm grateful for the good times, bad times and rough times. Well now you, you're siblings and parents can hang out and catch up. Spread your wings and continue to watch over us as you will be greatly missed! Love Carleen!!*
