“ *To Thomas, Kirk & Joni, Byron, David, Lori, and family: My heart is heavy for your loss and mine too. Oh how hard it was for me that because of the virus, I could not come to Opelousas for her funeral. The day was very painful, but I was so thankful to hear the details given to me by Seigrid. All of you know what a wonderful person she was; Ed and I were always so happy to stay with her and Thomas when we were in Opelousas. I pray that she is resting in peace with Almighty God in His Kingdom and thanking Him for the blessings He gave her on earth which enabled her to accomplish so much. What pleasant memories for all of us. Love Always, Teda*

“ *My Aunt Eula was more than an Aunt to me. I lived down the street from my Aunt Eula and Uncle Thomas with my grandparents. I spent so much time there they treated me like one of their children. In my lifetime I have never heard a loud tone come out of her. As I grew older my family and I would go to Thomas and Eula's for holidays. I have so many good memories of being at their home. My Aunt Eula always touched my heart. Heaven has gained an "Angel"*
