“ *My sincere condolences and Love to the Family.
I remember Aunt Tiny since I was a little girl when I would visit
Debra at Mr and Mrs, Chavis house near the train tracks. She would
always be smiling.*

“ *I have known grandma for so long. I have always called her
grandma cause if I dared call her Ms Carmouche, I would be in
trouble. I will always miss our talks and trips to Dollar General when
you just wanted a snack lol. I love you grandma and even though I
was not blood, I was family to you. Say hey to Uncle June and
continue to watch over us. I miss you. Angela*

“ Aunt Tiny I thank you and uncle Hayes for always allowing us to come stay at y'all home and play with our cousins EVERYTIME we came to Louisiana. They memories and love you gave us will never be forgotten. I couldn't be there in person because I'm still healing from surgery but my heart was there with you and the love I hold in my heart for you. We will see each other again. Tell my mom and dad I love and miss them. Much love to you, see you again one day.

“ To my cousins, God knows how much you can bare and the loss of your mom is a test of your faith that she has instilled in you all. Pray for strength and guidance. It's hard to see all of our aunts go but God knows best. We love you all ❤️
