“ I would like to extend my heartfelt condolences to the family of Felicia Richard. I send my prayers& love to her parents, siblings, friends, but most importantly her children. One thing about Felicia, she was an extraordinary MOTHER who knew no limits when it came to her children. They were her pride and joy and she took delightful pleasure in being their MOTHER. She was devoted, nurturing, and loving to all of her children. I met Felicia in 2011 while working at Grand Coteau Head Start. I'll never forget her smile, her laugh, her love for life, and her overall being. Over the years, we developed a friendship that I will forever cherish and made memories that will forever be embedded in my heart. I am deeply saddened by her death but heaven has a beautiful angel. My prayer for the family is, that in the days to come I hope that God grants you all the strength to endure. You all have suffered a great loss! Be reminded that your strength comes from the Lord. I will keep the family in my daily prayers.

Respectfully Submitted,

“ *Bobby and LC, I can honestly say that your daughter is one of the most beautiful and kind soul that I have met. We are family so I've known her since a little baby. She and my daughter Angel are the same age, only one month apart. But i have gotten to see her blossom into a beautiful young lady and mother. Felicia did my mom Eunice's) 90th birthday dirveby party. She went above and beyond. I can only offer you my deepest sympathy and prayers to help you and your family to heal and find some comfort in this time of loss. I love you all, and if there is anything I can do to help you please do not hesitate. Jesus is Lord. Prayers will never stop for you.*
