“ You have our very deepest sympathy at the loss of your mother. She was a wonderful person and we know you will miss her but the beautiful memories will sustain you.

“ Hey maw Jude. I still have that paper weight that you gave me that says "Let us give thanks." You gave me that little token about four years ago. It's a miracle that I still have it. Thanks for all of the wisdom and advice you have shared with me over the years. I just regret that I did not go and see you as much as I should have. It's true when they say you never know what you have until it's gone... but in the long run, when it is your time, it's your time and we just have to let it be. I love you and I miss you already. Tell Paw David and Uncle Butch how much we miss them and love them. I'll be able to see you hopefull a very long time from now, but until then, I hope you are where we all know you are... in Heaven.
