“ *Ms. Palute was like a mother to me. I used to go to her house and catch the school bus. She would treat me like I was her own daughter. If I would be late she would always call to check to see if I was ok. She was a very loving person. She believed in that it "Takes a neighborhood to raise a child". Her Family was her pride and joy and I'm proud to say that I was blessed to have such a wonderful lady to be part of my life. She was my angel on Earth. To the Family you have a very special angel in heaven.*

“ *After reading about your recent loss. I would like to send my condolences to the Stelly family. I am also moved to write you a message of comfort and hope. God has made the loving provision for a resurrection, so that you can see Mrs. Stelly again. You can read about this hope that Jesus talked about at John Chapter 5:28-29 in your Holy Bible.*
