“ To my aunt, Words can not explain what I'm feeling right now. Just to know that this is really happening. I will never question God's plan that he has for us. Only God knows that it was time for you to rest. Your job here was done. If there would be 1 wish it would be to make you better and have you here. But for now take your place and enjoy those new wings. As I write this tears are falling but not sad ones. Tell mom and jermom and sky to take care of you. You rest now you earned it. Until we meet again love your oldest niece. Tray
