“ *You have my condolences to the Frank Johnson Sr. family. I used to live on the same street(Johnson St.) many years ago as Frank. I have many memories of Frank and his siblings and parents. His sister, Julia and I were good friends. His brother Curley and I were in the same grade together. Very good family. We were not related, but we did share the same last name, and lived on the same street.
MAY God Bless Frank and his family. He will be greatly missed.*

“ First I would like to give honor to God, Mr Frank was a God fearing man, we talked about God all the time.. He also taught me things about God that I didn't really understand, I miss Mr. J, he was a awesome man. I wish I could've had more time with him, but God needed him more.. Rest my friend, no more aches, and pain.. To the family my deepest sympathy, may God bless and keep you all in his loving arms.. Ms. Carol Anderson (caretaker)

“ To the first man I called daddy, Uncle Frank you will always be in my memories (the black pick up truck you use to drive me around in while we song along to Billy Paul song "Me & Mrs. Jones"...weird how that memory of you always make me smile...no matter how the life we choose to live takes us on different paths our eternal resting place will be one journey we must all take in this life time, as Uncle Frank, you have reached the end of your journey and may God look upon your face and say "job well done"...

Your first daughter (niece)...Katy boo (KK).

To my Bro, June Bug...remember your dad left you with more than material things he left you with priceless memories and lessons of how to truly treat people,never be selfish, how to forgive & most of all he taught you that your mom is a QUEEN!!! Smile & say thanks daddy...
