“ *Benny, Gabe, and Leon Guillory gave our family special memories as they worked for quite a while on a large addition to our home. After school each day we looked forward to getting home to interact with them and see the progress they made. They were so pleasant and enjoyed their work. It was always a treat to run into them years later. I had the pleasure of a long visit with Gabe at the IFSB during Thanksgiving holidays. I am so glad for that.*

“ I will always remember Gab as a gentle giant. It was during Gab’s presidency that he encouraged IFBS members to form the Ladies’ Auxiliary of IFBS.

We had many good laughs about me eating the last orange on his orange tree.

May his soul rest in peace!

“ *I had a flat tire in front of St Jules Church a few years ago. Mr. Gabe saw me stranded and came to help. He couldn't break the lug on the tire so he called his grandson to come and help. I wanted to pay them, but he gave me a strong NO. And he said with great compassion, "We never take money when helping people". Whenever I saw him, I always reminded him of his kindness. Heaven gained an angel.*

“ *Prayerful condolences to the family of Gabriel Fuselier.*

I had the pleasure of meeting Gabe almost 40 years ago...and he embraced me like family. His carpentry skills were widely praised and sought after.

Gabe even traveled to New Orleans to build custom kitchen cabinets for my home. He also installed a skylight feature.

Above all, Gabe always put his family first, and I learned much from his friendship. I will always remember his friendly nature, and easy smile.
