“ Two weeks before he died June said to me "I'm exhausted". R.I.P. June, your good works and unselfish service to your friends and family did not go unnoticed and will always be cherished. I will forever be thankful for the opportunity to visit with you in the last three months of your life on this Earth, God makes no mistakes, he brought you back home for final moments with those you grew up with before taking you to your home of eternal rest. Goodbye June until we meet again in our glorified bodies.

“ I am so sorry that George died. I am so sorry you all will never see him again. I remember when each of you were born and George was so proud , but even more was so very protective of you all. I know that George was a loving father and a fantastic brother in- law. George loved each one of you very much, and was so proud to have you Derrick as a son and Krystal and Courtney as his daughters. Please know my prayers are with each and everyone of you , now more than ever.
