“ *Dad,*

I will miss dearly but I will always cherish the sweet and bitter memories you have given me. Thank you for raising me to be the woman I am today. You have instilled in me morals, good judgment, the importance of family and most of you have showed me the real meaning of love. I also thank you for always being there for me and never showing frustration and disappointment towards your family. Your smile will forever be missed, the strength you leave with us will continue on through your children. Thank you for being my best friend, teacher, life coach, and most of all my super man. Fly high dad, watch over your family as we continue to make you proud!

*Eternal love,
Baby girl (Carleen)*
