“ *It isn't the loss of your life that I will grieve, but the laughter you blessed us with while you were here. From the funny stories that had us busting our guts with laughs to the fresh white T's and Air Force Ones you were known for stepping on folks necks with. And Ill never forget you looking out for me in Houston, and our fun club nights. That's what I'll choose to remember.*

Rest in eternal peace cousin,

Sherika ❤️
