“ *Almost every time I saw Jerald was at church, or a church related event. I remember him as being a very quiet meek person which I would have to attribute to his humble spirit, something that's very rare these days. I pray that the family can find the peace that only faith in our Lord and savior Jesus Christ brings to those who truly know what the Apostle Paul meant when he said “to live is Christ to die is gain,” because for all who are in Christ Jesus, death is only a door into everlasting life.*
