“ *Glenda lived next to my parents. My Mother and Father always said, how she watched over them; checking on them to see if they were okay. According to them, she was a sweet, caring person. Unfortunately, I never had the chance to THANK HER. However, I do remember her from high school (Plaisance). Glenda had an infectious laughter and was always smiling. I want to tell the family, I appreciated her for being their for my parents. My parents will definitely miss her.

“ *My Aunt, My bestfriend, my Big sister. I was never considered the oldest niece I was the baby sister next to the baby sister. Mom would always say we were sisters. Aunt Glenda I will forever miss all of the talks and laughter that we had together. You would always say when you read you paper on Sunday, Well Lord whats going on in the world today... You helped me with both my children and garage sales were your favorite pastime on the weekends. You would call me and ask me to go with you and I would never say no. You always brought so much back. Not for one but you tried to bring a gift back for everyone you. Your heart was very big and you didn't take any BS either. You would call me on the weekend and during the week because it was something on your heart to call and talk to me. I am going to miss your calls and your voice forever. I Love you from you Lil Sister Nikki*
