“ Mrs Gloria will always hold a special place in my heart and the hearts of my entire family. She looked after my dad when he was little boy and later worked at his restaurant where I got to spend many summer days as a little girl along side her and Mr Paul. She patiently let me follow her around where she taught me how to make every item in that restaurant while Mr Paul and I would have many talks while I watched him prep and season chicken. They were both like grandparents to me growing up. Mrs Gloria was even there to comfort me in my teenage years with my first broken heart. Mrs Gloria was the ONLY person I've ever seen put my dad in his place when needed and she was one of the very few people he listened to and trusted. She was the epitome of class and grace. We will miss her and mourn her passing.

*Grateful to have been in her presence.*

“ This picture is so befitting for her "spirit"....She was truly "gentle" as a dove!  
Aunt Glo was a very sweet lady with an "angelic" nature.  
"Lady" as I would call her, you will be missed.  
Glenda sweetheart, you are the last of the "Mayfield" siblings, and SIL, I will continue to pray your strength, peace, and comfort throughout this difficult time, In The Name of Jesus.  
My sincerest prayers and condolences to her son, grandchildren, family and friends.

“ Gloria was a true a dedicated friend to my sister, Leona Green. They worked together for years and after retirement they remained very close friends. Gloria helped her family and friends and never said no if she could help. Leona said she didn't know how she will get along without Gloria because she was always there for. Rest in peace, Gloria. You have earned your rest. Leona's sister, Betty
