“ We knew little that evening that God was going to call her name. In life we loved her dearly, in death we do the same. It broke our hearts to lose her, she did not go alone. For part of us went with her, the day God called her home. She left us peaceful memories, her love is still our guide. And though we cannot see her, She's always at our side. Our family chain is broken, and nothing seems the same, But as God calls us one by one, the chain will link again.

“ You were a precious gift from God above, so much beauty, grace and love. You touched our hearts in so many ways, your smile so bright even on the bad days, You heard God's whisper calling you home, you didn't want to go and leave us alone, You loved us so much, you holded on tight, till all the strength was gone and you could no longer fight. He had called your name twice before, You knew you couldn't make him wait anymore. So you gave your hand to God and slowly drifted away, knowing that with our love, we will all be together again some day.

“ Mama, you lefted us just as your earthly characteristics were - peaceful, patient, humble, and graceful. Your physical presence will surely be missed, but the memories will always be treasured. To my family, I will continue to pray for our strength and comfort.

“ *She didn't have to wait in line for her wings. God saw her walk into heaven, and called her to the front of the line and presented her wings to her, to fly around her new home, pain free and full of grace. Now we all know why it was meant for her to be named GRACEFUL. She will be forever loved and missed by so many.*
