“ *Gustavia is the most unconditionally loving and accepting person I have ever known. Bet she is already connecting with my grand ma in heaven. Whenever we traveled it was fun and playful being with her. We had fun listening to and singing zydeco songs. Shopping for clothes with her was fun, too! She is already missed and will always have a special place in my heart and you know we will be zydeco dancing for you! . Lots of love and GOD your way. RIP Gustavia. LOVE YOU, Buddy*
