“ *Champella: Upon the passing of your mother, Verna, I immediately remembered your father. I placed the obituary over my desk when I heard of his passing. I first met your father at J. S. Clark High School when he was in 8th grade and in the high school band. Seems like everybody knew "Billy" as he was called back in the early 60's. Find strength in knowing that "God's Got you. “ To the family of Mr. Harold Brown, my family and I share our heartfelt condolences. My friend and homeboy was my college work study boss in the mid 80s when I was a student at Southern in the Property Office. He was always supportive and I enjoyed working in his office. He was great to work with and he kept everyone in order in the office. I offer my sympathy to his family.
