*This is Leola Thomas Jackson.  
It was very painful to me when I was told about Harold's illness.I find myself in deep thoughts about him.Harold was like a brother to me.He was always happy and fast moving.He was like family. Whenever I would call him for transportation,without hesitation,he would say,"I will be there in a minute .Many times he would go pay my bill.Harold was always happy.I will surely miss him.To a very nice and caring fellow no more worries and. No more pains RIP! I pray strength and consolation for the family during this time of sorrow !*

“ I am Mary Lou Johnson's oldest daughter Patsy Gibson Jackson. Harold was my classmate and like so many others stated, he had some smooth moves on the dance floor. He was quite a guy, loved life and loved people. He always showed up whenever I was in Opelousas and he loved to eat my mother's cooking. Harold, yes you will definitely be missed but you know what you will always be alive in my heart. I won't ever forget you. Rest in Peace dear one. Rest in Peace.

“ My dearest brother,  
I will miss you so much. You are such a unique person with your own special language and mannerisms. You said things like, "See you in a few shakes" translation, "I'll see you later," or if we called you, you said, "Go head" translation, "Hello and start talking". You didn't know it but we would just smile on the other end of the phone. You loved life and God. I know you wouldn't come back here if you could, but we sure will miss you. Enjoy your "new home" my brother. We'll see you in glory. I love you so much.  
Your sister, Marie

“ My dearest Big Brother Harold,  
You were a free spirit and you enjoyed life. You were a socialite, you loved people, and they loved you back! You loved to dance and have a good time. I remember once you were supposed to be showing me how to hand-dance. You were so busy going through your moves that not much teaching was being done. That was OK, because I loved watching you ‘do your thang’! I think that you would say to all of the family and friends that you left behind on this earth – “Don’t think this is the end for me – sing joyful songs to the skies because my soul has been set free and I’ve gone home to paradise to be with my Lord. I am now at peace.” I love you my big brother. Enjoy dancing in paradise!

Love Always,  
Your sister Marilyn (Angela)

*Harold, Heaven ANGELS are in line waiting to dance with the Dancer of all times, it was an Honor to have Harold ask for a Dance with him, he would say , " just follow me I won't let you go.. Dancing with the Stars don't even come close to his Dance Talent. I had the Pleasure of dancing with Happy Harold many times over the years. When he would enter any room or public place ,Harold lite up the place. He is An HUMBLE ANGEL WITH POSITIVE GENTLE KINDNESS FOR ALL. THEN HE WOULD WSLK AROUND WITH HIS CAMERA AND TAKE YOUR PICTURES. He would find you and share his pictures with the subjects in the picture. A Gentlemen at Heart,Lover of People with the Harold Henry Smile. I love those Overalls and man he could ride his Bike all over spreading Joyous conversation to all. Harold you will be Remembered forever. We Thank God sharing your joy and Happiness with us. God is PLEASED. He said ENOUGH, TIME TO RIP..*

*Fly high Harold, things we will always remember about our friend. His smile, his caring for others, his pictures taking, his jumping moves for dancing, his clean appearance, his excitement about life. He always kept his word as best as he could, and always made time to come back to the water plant to see old friends. Until we meet again. Thank for being Harold. The Water Crew*
