“ *It maybe hard at first but we never know our father in heaven plan for us. But each day we are here to know the person care and loved us makes this process easier. Life passing could never be forgotten. Keeping him in your hearts will mean he has never gone. See in in each and everyone of us makes it even more easy. Take one day at a time. Keeping your faith. Not question our father but holding his hand for strength. The love will always lift you up from the down side of it all. I pray for your peace of mind and understanding. Be Bless in it all. Amen*
