“ *My heart and prayers are with the family and friends of Herbert “Boo” Castille. He was dearly loved and he will be greatly missed. I remember Boo as I grew up, he was a close and dear friend of my family. One memory of him that stands out the most to me is that the Civic Center in North Park offered a sign language class and Boo would go to them and he invited me. Although I am not fluent in sign language that is an experience that I am grateful to have shared with him. RIP Herbert “Boo”. May God comfort and strengthen his loved ones now and in the time to come as he now rest in the Lord.*

“ My heart has been heavy about the passing of our childhood friend and neighbor since I received the news. "Boo", as we all called him was a good friend and was always willing to help wherever he could. RIP my friend and I know you believed in God as Lord and Savior, so I'm not going to say goodbye, I'll say until we meet again in God's Heavenly Home. My sincerest condolences to family and friends of my dear friend, Herbert C. Castille.

“ A kind and considerate man. I saw him almost two months ago at the Opelousas Lowes on the address signs aisle. He said, "Since I retired I don't know what to do with myself". Sincere condolences to his family and friends.
