“ I coached with Herbert at Sunset. He was a good man and a good coach. He coached the secondary and was notorious for emphatically hollering "cover the deep miller" to the safeties. I will remember him for the rest of my days.

“ *Herbert Lamb, the student-athlete was one of high integrity, immense talent, and gritty determination. Herbert Lamb, the teacher-coach was one of that same integrity, one that patiently taught the skills and knowledge of the game, and truly loved his students. Herb will be missed by his family; but, he will also be missed by the ones he came in contact with during his journey through his life. Those people, and I, will remember him as a "good man" !!!*

I will always remember Coach Herb Lamb for his friendship, dedication, wit and professionalism as both an educator and Coach. He hired me as an assistant coach in 2005. I did my best to keep up with him after I departed North Central High for another assignment elsewhere. I am devastated that he is gone, but his memory lives forever in my heart. I miss buying him his fish burgers. I'll always remember my good friend and mentor, Coach Herbert Lamb.....God's speed, my brother..... You've earned your place with Christ, my friend!!!!!!Rest well in His hands!!!!
