“ *I loved Ms Ester so much, we made friends where we lived. I would pick her up and off we went to stores and when we off to Mr Gatti's we would go. She talked about her children, their families and how much she loved them. I always called her Ester, not Hester and she said that's ok you friend. I was like her in hat's we wore them and that is first place we go look in stores. She loved God with all her heart, we talked a lot about the bible and what it meant to us. One of the favorite things she liked was the family reunion, she took so many pictures to show me. Harvey his wife had a new baby girl and she had pictures of her and couldn't wait to show me. She loved her rose bushes she planted she was so talented in so many ways of making things she would see and come home and make. I could write for hour's but the family she had and loved were her world. I will miss her so much, she was such a lady and my friend. Love Jan*

“ Our prayers goes out to you in the home going of your beloved Ms Hester. We are never really prepared for this hour. Take comfort you can reflect on the times you all spent together, the little clichés she have used to get the message across. The smiles and the joys she shared with each one, one by one. Our prayer is that the peace of God keep you and realize that there is nothing on earth that your Mom's savior could not heal. Take comfort in Jesus.
