“ I will always remember Hilton as neighbor and a friend. He always answered my phone calls no matter what time it was. We had great times together, but we had some bad times. Hurricane Rita was one of those bad times. He and the family stayed home for the storm, and he lost everything. He never waiver just took it in stride. As a neighbor he never failed to keep me informed when I was away. He checked on me and I checked on him. During Covid we spent a lot of time sitting under the Trees talking and of course social distancing. His friendship will stay with me forever. I remember our last conversation I could see the worry in his eyes and the frustration in his voice, but he never complained once. I am heartbroken that he is gone. To the family I send my condolences may you find peace in Gods words Thou Will Done !!! And I wanted you all to know that he loved you all dearly he talked about all of you every time we visited. Rest in Peace my Good Friend!!!
