“ I am writing to extend deepest condolences to the Jerry family. I hope the love of your family and friends, the cherished memories and great times you spent with Hubert will see you through this difficult time. Hubert was a real one, and a true friend to the end. I knew him since junior high school when we were in catechism together at Holy Ghost. He had a huge heart, he was a beautiful soul and I'm honored and blessed to have had him as a friend.
