“ *Your children were not ready for this but God loved you first and because of that love you’ll be able to experience him for eternity.*

Thank you for showing up and giving my siblings the opportunity to experience their father and for sharing that very same love with me. It takes a special man to be able to love another child unconditionally and retain that love regardless of the circumstances. That’s what you were to me! I’ll never replace you in that space.

Keep my brother Ira Lewis, my sister Latalia Lewis, their siblings and family in your prayers.

Rest peacefully Tweety, I got them covered from here. ♥
