“ *Isreal, you're gone but won't ever be forgotten...our dear mother will truly miss you, along with all of us and the grandchildren who loved you and held you near and dear to their hearts! Brother Leonard, as you would happily refer to him your step son in-law...would always look forward to picking up you, and our dear mother to drive out to their property in the country for those great, and peaceful cook outs. Everyone will miss you.....may you rest in peace*
